
455 solar panel specifications

How big is a 455 W solar panel?

Typical dimensions for a 455 W solar panel are 82 inches in length and 42 inches in width, and they weigh around 52 pounds. Such modules are typically 72 cells or more and are monocrystalline. A 455 W solar panel's efficiency can be anywhere from 15% to 22%, depending on the manufacturer.

What is Aiko solar ak-a455-mah54db-BK?

Aiko Solar's AK-A455-MAH54Db-BK is a Glass-Glass/All Black N-type ABC solar panel with a capacity of 455 watt-peak. This panel features 2.0mm semi-tempered glass with anti-reflection coating and is part of the Neostar series. The Aiko 455Wp with 108 half-cut cells has a black anodised aluminium frame and is 1757 x 1134 x 30mm.

What type of load can a solar system withstand?

Certified to withstand: wind load (2400 Pascal) and snow load (5400 Pascal). High salt mist and ammonia resistance. ©2020 Jinko Solar Co., Ltd. All rights reserved. Specifications included in this datasheet are subject to change without notice.

See specifications, prices, warranty info and reviews for the TP6L72M 455, a 455 Mono-crystalline Silicon solar panel from Talesun USA.

Trina Solar now distributes its PV products to over 100 countries all over the world. We are committed to building strategic, mutually beneficial collaborations with installers, ...

The specifications and key features contained in this datasheet may deviate slightly from our actual products due to the on-going innovation and product enhancement. ...

Product Description Positive power tolerance (0~ +5W) High module conversion efficiency Slower power degradation enabled by Low LID ...

Compare solar panels - a side-by-side comparison with solar panel pricing, specifications and other information on popular brands and ...

Note: This publication summarizes product warranty and Specification which are subject to change without notice

Maxon panels are uniquely designed and engineered to target these key degradation modes that affect solar panel performance over their initial 10 years of operation.

The Longi 455W 72 CELL Solar Panel offers excellent performance with up to 20.9% efficiency. Ideal for residential applications, Longi solar panels also feature lower resistive loss with lower ...

Most people overlook this 455W solar panel--here's why it's rated #1 for performance and value. Get yours before it sells out!

DC1500V Front 5400Pa Back 2400Pa 25 mm diameter hail at 23 m/s IEC Class C *AIKO Energy reserves right to update the specification without notice AEBHD_EN_202310_V5.3
