# Aluminum cube pack battery factory

What are EV battery trays made of?

FONNOV EV battery trays are made from the best aluminum alloys in terms of impact resistance, corrosion resistance, and strength. Making the enclosure from aluminum is also very effective in warding off electromagnetic interference that may affect sensitive car components. Our main alloys for EV battery trays are aluminum 6061T6.

What is a battery pack enclosure?

Serving not only in various prestigious automotive brands but also in energy storage projects, the battery pack enclosure is distinguished by its construction from lightweight aluminum, crafted through meticulous processes including precision die-casting, extrusion, stamping, and welding.

Are composites a viable alternative to aluminum extrusion for EV battery pack enclosures?

Composites are a viable alternative to aluminum extrusion for EV battery pack enclosures. Apart from having been in the automotive industry for a long time, composites are light and easy to fabricate. They are preferred by some electric vehicle battery tray manufacturers for the top lids of enclosures.

Who makes electric vehicle Battery trays?

FONNOV ALUMINIUM is an aluminum extrusion manufacturer of electric vehicle battery trays. We produce and assemble aluminum extrusions for electric car battery tray (also called ev battery tray, ev battery box, or ev battery enclosure). We produce custom aluminum trays with aluminum 6061T6, 6082T6 for electric vehicle battery pack.

China Aluminum Battery Enclosure wholesale - Select 2025 high quality Aluminum Battery Enclosure products in best price from certified Chinese manufacturers, suppliers, wholesalers ...

Zhejiang Qicheng Aluminum Co., Ltd: We're known as one of the most professional battery enclosure, battery case, battery tray, cylinder head, ...

Cast Aluminum Battery Boxes In addition to the lightweight of the body structure, the battery pack itself also needs to be lightweight. The ...

We produce and assemble aluminum extrusions for electric car battery tray (also called ev battery tray, ev battery box, or ev battery ...

China Aluminum Battery Enclosure wholesale - Select 2025 high quality Aluminum Battery Enclosure products in best price from certified Chinese ...

Cast Aluminum Battery Boxes In addition to the lightweight of the body structure, the battery pack itself also needs to be lightweight. The lightweight of the battery housing is one of the ...

FUERD Casting is a professional Cast Aluminum Battery Boxes manufacturer and supplier in China. Here you can find high quality cheap Cast Aluminum Battery Boxes in a competitive ...

Zhejiang Qicheng Aluminum Co., Ltd: We're known as one of the most professional battery enclosure, battery case, battery tray, cylinder head, cylinder block manufacturers in China. ...

China Factory Industrial Aluminum Enclosure offers IP55 protection, made from aluminum alloy and stainless steel. Ideal for battery packs and electronic enclosures. | Alibaba.com

---

China excels in battery pack enclosure tech due to strong government support, a vast market, and major investments in innovation and sustainability.

FUERD Casting is a professional Cast Aluminum Battery Boxes manufacturer and supplier in China. Here you can find high quality cheap ...

Constellium's aluminum solutions combine strength, crash resistance, and thermal performance to protect and cool EV battery systems. We offer rolled and extruded-based ...
