
Annual production of 1gw battery pack project

By establishing localized pack production capacity in the United States, Sunrise aims to create stronger synergies between ...

--Sunrise New Energy Co., Ltd., a leading manufacturer and innovator of battery anode materials, today announced that it will build a 1 GW lithium battery pack project in the ...

The project, located in Zhongfang County, Huaihua City, covers an area of 50 acres with a total investment of 250 million yuan. It includes the construction of a 1GW ...

The project will leverage the expertise of Mr. Haiping Hu, the founder and CEO of Sunrise, who is a highly experienced expert in the energy storage industry. Mr. Hu has led an ...

By establishing localized pack production capacity in the United States, Sunrise aims to create stronger synergies between downstream battery applications and its upstream ...
