

Budapest companies that make energy storage batteries

Where is Hungary's largest battery energy storage system located?

Swiss-based energy company MET Group has officially inaugurated Hungary's largest standalone battery energy storage system (BESS) at its Dunamenti Power Station in Székesfehérvár, located close to Budapest. The new facility boasts a total power output of 40 MW and a storage capacity of 80 MWh.

Will Hungary's new battery energy storage system help Green the grid?

The new facility supports a growing push to green Hungary's power grid. Hungary has just switched on its largest battery energy storage system (BESS) to date, stepping up its role in Central Europe's growing grid-scale energy transition.

Who makes battery storage units?

Huawei Technologies is manufacturing the battery storage units and the general contractor for the project is Forest-Vill. The transformer was made by Ganz. The MET Group had consolidated revenue of EUR 17.9bn last year. Hungarian oil and gas company MOL has started the construction of a 20 MW / 40 MWh energy storage in Algyo (South Hungary).

What are the top 10 battery manufacturers in Hungary in 2025?

This article introduces the top 10 battery manufacturers in Hungary in 2025 such as;

CATL, Sunwoda, BYD, EVE Energy, CALB, SK On, Samsung, SDI, GS Yuasa, Inzi Controls, Huayou Cobalt.
