
Cape Town solar Glass Exhibition 2025

When is solar & storage live Cape Town 2025?

Cape Town will once again play host to Africa's most anticipated clean energy event as Solar & Storage Live Cape Town returns to the Cape Town International Convention Centre (CTICC) on 15-16 October 2025.

What is solar & storage live Cape Town?

Solar & Storage Live Cape Town is part of Terrapinn's global series of renewable energy events, connecting markets across Europe, Asia and Africa. The Cape Town edition continues to play a crucial role in regional investment, upskilling the local workforce, and supporting the adoption of reliable, scalable and affordable energy solutions.

Why should you attend the Cape Town energy conference?

The Cape Town edition continues to play a crucial role in regional investment, upskilling the local workforce, and supporting the adoption of reliable, scalable and affordable energy solutions. Professionals across the public and private sectors are invited to attend and help shape a cleaner, more resilient energy future for South Africa.

Who is hosting the 2025 energy summit in Cape Town?

The 2025 event is supported by the Western Cape Government as Government Partner and the City of Cape Town as Host City Partner, reinforcing the region's strong commitment to energy security, infrastructure development and clean technology investment.
