
H129 solar Inverter

High performance vector control and multi-functions drives/inverter which is applicable for solar pumps including control requirements, PID control function,MPPT function,light weak auto ...

Inverter Efficiency 99% Place of Origin Zhejiang, China Model Number H129 Brand Name FOLINN Input Voltage 380V Output Voltage 0-380V Output Current 10A Output Frequency ...

H129 Series Solar Pump VFD The H129 series photovoltaic water pump special inverter is a high-performance vector control technology developed by our company for the ...

H129 series solar water pump inverter offers efficient solar energy conversion with 50/60 Hz input frequency. Ideal for irrigation and water management.| Alibaba.com

H129 Series Solar Pump VFDH129 Series Solar Pump VFD The H129 series photovoltaic water pump special inverter is a high-performance vector control technology developed by our ...

Place of Origin Zhejiang, China Brand Name FOLINN Model Number H129T41600BX1 Output Current 300A Output Frequency 160Kw Output Type DC-AC Inverter control mode VC / SVC / ...

H129 2.2kw 220V Solar Water Pump VFD, Find Details and Price about 2.2kw Variable Frequency Drive Solar Pump Inverter from H129 2.2kw 220V Solar Water Pump VFD ...

Product Description H129 Series Solar Pump VFD The H129 series photovoltaic water pump special inverter is a high-performance vector control technology developed by our ...

H129 Series Solar Pump Inverter The H129 series photovoltaic water pump special inverter is a high-performance vector control technology developed by our company for the ...
