

# Middle East Energy Storage Container Investment Project

---

Who inaugurated Middle East energy 2025?

Held under the auspices of the UAE Ministry of Energy and Infrastructure, this edition marks the largest in its 49-year history, emphasizing innovation in energy storage and infrastructure. H.H. Sheikh Ahmed bin Saeed Al Maktoum, chairman of the Dubai Supreme Council of Energy, officially inaugurated Middle East Energy 2025.

What is the Middle East Energy Conference?

Complementing The Battery Show Conference, the broader Middle East Energy program unites over 150 thought leaders across five additional conferences: the Middle East Energy Leadership Summit, Technical Seminar powered by IEEE, Intersolar & ees Middle East Conference, Global Innovation Forum, and the Africa Business Leaders Forum.

How big is the battery market in the Middle East and Africa?

Market forecasts suggest that the Middle East and Africa battery market is projected to grow to \$9.98 billion by 2029, driven by policy support, increasing electrification, and a rise in renewable energy investments.

Why is Middle East energy launching a 49th consecutive year in Dubai?

"The continued organization of Middle East Energy for a 49th consecutive year in Dubai reflects international confidence in the emirate as a strategic centre for conferences and exhibitions, and reinforces its role in leading the global dialogue on energy security and sustainability," stated Sheikh Ahmed.
