## Oslo Solar Air Conditioner General Distributor

Who is China solar air conditioner manufacturer?

Deye is a famous China Solar Air Conditioner manufacturer and supplier. They offer battery-powered or no-battery solar air conditioners for sale worldwide.

How is a solar air conditioner shipped?

Packaging: The solar air conditioner unit is securely packaged to protect it from potential damage during transportation. The packaging typically includes foam padding, cardboard boxes, and other protective materials. Transportation: The solar air conditioner is loaded onto a shipping vehicle for transportation.

Do solar air conditioners have to go through customs clearance?

Customs clearance: If the solar air conditioner is being shipped internationally, it must go through customs clearance procedures. This involves verifying the contents of the shipment, paying any applicable duties or taxes, and meeting the import requirements of the destination country.
