## Solar light home wall mount

What are wall-mounted solar lights?

Wall-mounted solar lights are outdoor lighting fixtures affixed to walls, fences, or other vertical surfaces. These lights harness the sun's energy during the day through solar panels and convert it into electricity to power LED bulbs by night.

Why should you choose solar wall mount lights?

Our solar wall mount lights can give the front of your home the brightness it needs so that guests can easily spot your residence and make their way up your driveway or front steps without any trips or falls. We offer them in various designs that will give your home a look that evokes classic styles or more modern trends.

What are solar wall lights with wall mounts?

Solar wall lights with wall mounts are outdoor lights that come with a mounting system for attachment to walls. These specific lights featured here come with two superbly bright warm white LEDs that ensure reliable and adequate lighting.

Are solar wall lights easy to install?

Outdoor solar wall mounted lights are easy to install, with no electrical wiring required. Solar wall lights come on automatically at dusk, so you'll never come home to darkness again. Choose from a great selection of stylish, bright and quality solar wall lights. Free Shipping on all solar carriage lanterns and low profile solar lights.
