Why was sunpal used for a curtain wall?

SUNPAL was used for a curtain wall as it will not break even when hit by a person or an object such as a basketball. SUNPAL was used in a variety of stunning colors to create a facade that you cannot miss - during the day and at night. SUNPAL panels were used to create a curtain wall that decorates the facade of this beautiful home.

South Africa's curtain wall market is forecasted to expand at more than 7.41% CAGR (2025-30), driven by urban growth and rising investment in modern facades.
