# Super capacitor in Milan Italy

Who is the best SuperCap capacitor manufacturer in China?

It is one of the most professional supercapacitor manufacturers in China. Jinzhou Kaimei Power Co.,Ltd.is a high-tech enterprise mainly engaged in the development,production and sales of supercap capacitors. Kamcap has more than 800 employees and our factory area is of 19,200 square meters.

What is Novac supercapacitor?

Novac supercapacitor is an advanced energy storage solutiondesigned for effective peak power management in electrified systems. Engineered to deliver quick and repeated high bursts of energy,it complements battery systems by reducing peak loads,minimizing degradation, and enhancing the overall system efficiency.

Who is DIMAC red engineering?

Dimac Red Engineering in Milano,Italystarted to invest time and resources into super-capacitor and ultra-capacitor technology in 2004. Thanks to many years of research and investments our laboratory is able to provide solutions for energy storage systems based on Ultra-Capacitors Technology.

Are supercapacitors better than lithium?

Supercapacitors boast greater thermal stabilitycompared to lithium systems,eliminating the risk of overheating. For high-performance applications,we integrate cells directly into the composite materials of structural components. With our pouch format--adaptable to any shape--we enable a new paradigm.
