

# The largest liquid-cooled energy storage company in West Asia

What are CNTE's energy storage products?

April 23-25, 2025 -- CNTE presented its three core energy storage products -- the STAR Q Outdoor PV-Diesel-Storage Integrated Cabinet, STAR T Liquid-Cooled Container, and T14K Portable Energy Storage System -- at Solartech Indonesia 2025, the largest renewable energy exhibition in Southeast Asia.

What is a battery energy storage system?

Battery Energy Storage Systems (BESS) are highly versatile, with applications ranging from short-to-medium-term utility-scale grid support to behind-the-meter commercial and industrial installations.

Additionally, other technologies like thermal storage and flow batteries are gaining attention as viable options for longer-duration storage.

Who is Akuo Energy?

Akuo Energy is an Independent Power Producer(IPP) specializing in developing, financing, constructing, and operating renewable energy power plants, primarily solar, wind, and storage, across the globe.

What is CATL energy storage company?

It is a CATL-invested company focused on lithium battery energy storage technology. Its core competitiveness is in the R&D, manufacturing, sales, and service of lithium battery energy storage equipment. It aims to offer professional and comprehensive solutions for power generation, power grid, and user side customers.

Jinko ESS, a global leading energy storage company, has secured a 10MWh energy storage project in Southeast Asia region, and will deploy a 10MWh off-grid energy ...

Asia Pacific Battery Energy Storage System Market was valued at US\$ 10,057.03 Million in 2024 and is projected to reach US\$ 77,016.66 Million by 2031 with a CAGR of 27.4% from 2025 to ...

Discover how GSL Energy installed a 232kWh liquid cooling battery energy storage system in Dongguan, China. Learn about its advanced cabinet ...

The companies profiled in the APAC liquid cooling market for stationary battery energy storage system (BESS) have been selected based on input gathered from primary ...

Discover the current state of energy storage companies in Asia, learn about buying and selling energy storage projects, and find financing options on PF Nexus.

"Jinko ESS is honored to provide our liquid-cooled technology to support emerging energy storage markets in Southeast Asia region."

April 23-25, 2025 -- CNTE presented its three core energy storage products -- the STAR Q Outdoor PV-Diesel-Storage Integrated Cabinet, STAR T Liquid-Cooled Container, ...

Jinko ESS, a global leading energy storage company, has secured a 10MWh energy storage project in Southeast Asia region, and ...

GSL Energy has taken another significant step in advancing energy storage solutions by installing a 232kWh liquid cooling battery energy storage system in Dongguan, ...

---

This report lists the top Asia-Pacific Energy Storage Systems companies based on the 2023 & 2024 market share reports. Mordor Intelligence expert advisors conducted extensive research ...

Discover how GSL Energy installed a 232kWh liquid cooling battery energy storage system in Dongguan, China. Learn about its advanced cabinet liquid cooling system, enhanced ...

Advancements in liquid-cooled energy storage prefabricated cabin systems offer enhanced thermal management, leading to improved safety, longevity, and performance of ...
