Steema Transformer and electrical Pvt Ltd (U) is aiming to become leading supplier and repairer of transformer and electrical in East Africa. Our first factory and service center in Africa was commissioned in Uganda Oct-19.

Why do companies sell into Uganda?

Most companies that sell into Uganda view their objective as pushing containers of equipment. The resulting service levels are in line with that mentality. At Orion, our mantra is that we are selling "more than just a piece of metal" and view our product as a reliable low loss transformer operating on the grid and with after-sale care services.

Who are Orion Transformers?
